

*Central Community College
maximizes student and
community success.*

Our vision is to be the best choice in our service area for:

- Facilitating students' achievement of lifelong educational goals of a quality education provided by exceptional faculty and staff and leading to profitable employment options,

successful credit transfer and continuing education.

Central Community College Values students, community, innovation and student success. We demonstrate this by measuring:

- Access: delivering instruction through multiple methods and quality support services, emphasizing student success by meeting students where they are through open enrollment and providing a valuable return on investment for educational dollars used.
- Student success: recognizing the importance of individual needs, providing comprehensive

With the growing competition for skilled workers the apprenticeship “earn while you learn” model provides students with another option to further their education while supporting themselves through employment. In addition to potentially reducing the reliance on student’s loans, work-based learning opportunities are a tool for recruitment to High Demand, High Skill or High Wage (H3) careers. Using existing curriculum models and established employer connections, CCC could expand work-based learning/apprenticeships across multiple divisions and disciplines while strengthening support of employer partnerships, scholarships, on-boarding and support services. The work-based programming aligns with current workforce initiatives promoted through our region, state and federally as a method to grow skilled talent which is a challenge facing the region, state and nation for the coming decade.
